Your day-by-day support of the organization that help our men-the USO and the volunteer organizations which help in our hospitals, the Red Cross and the Blood Donor programs-these are also evidence of a nation's gratitude which every soldier,sailor and airman can appreciate every day of the year. On our part,the men and women in the Armed Forces show their gratitude by taking the risks,and making the sacrifices even to giving their lives so that the rest of us might live in comfort and peace and security. Armed Forces Day would be a truly successful American venture if each citizen would search out just one member of the Amred Forces and let him know that his efforts and sacrifice are appreciated."----------
